

## User Manual - Accessing and Managing the Web Application

### Creating Symbolic Link:

- Open the Command Prompt (CMD).
- Use the mklink command to create a symbolic link :
  - `mklink /D C:\xampp\htdocs\project_v2 C:\path\to\project_v2`

### Accessing the Web Application:

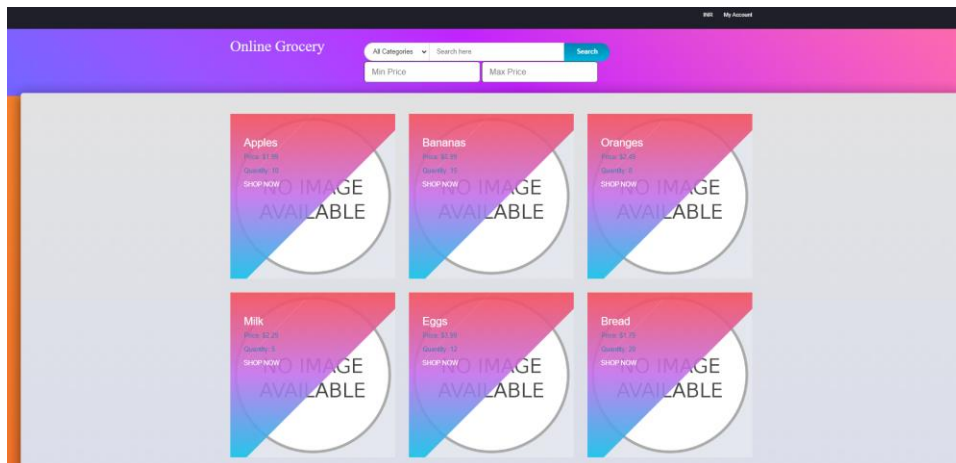

- Start XAMPP and launch Apache and MySQL from the XAMPP Control Panel.
- Open your web browser and enter the URL: `http://localhost/project_v2`
- The main page of the web application will be displayed.

### Creating the Database:

- In the Command Prompt, navigate to the project directory.
- Start MySQL by typing `mysql -u root`.
- Use the source command to run the SQL file to create the database :
  - `source path/to/sql_file.sql`

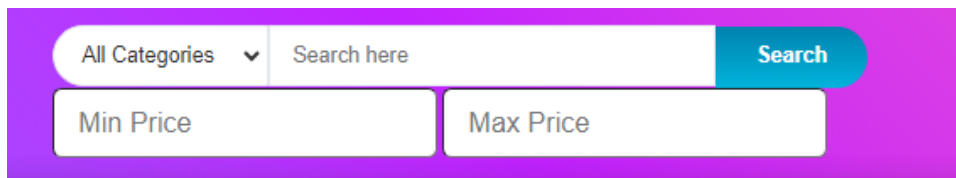

### Main Store Page:

- After accessing `http://localhost/project_v2`, you'll see the main store page.
- View all products stored in the database.

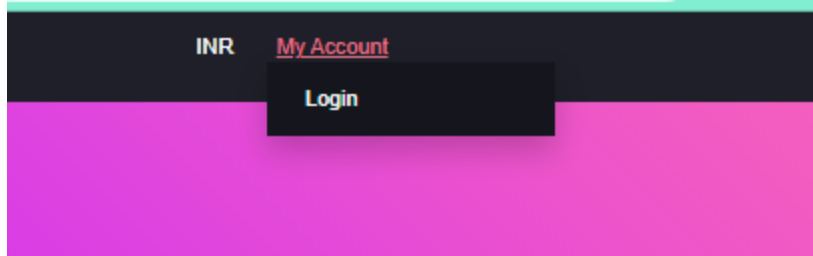

### Product Search:

- Use various criteria (category, name, price range) to search for products.
- Click "Search" to display the results.

### Management Login:

- Click "Log In" at the top of the page.

- Use the provided email: management@example.com and password: password123 to access the dashboard.

A login form with an orange background. At the top, it says 'Login Here'. Below that are two input fields: 'Email' with the value 'management@example.com' and 'Password' with masked characters. A 'Forgot password?' link is on the right. A red 'LOGIN' button is at the bottom left.

### Dashboard:

View the list of products and their information.

Edit or delete products.

Click "Edit" to modify product details.

Products List					
NAME	PRICE	QUANTITY	CATEGORY	DELETE	EDIT

Milk	\$2.29	5	Dairy	DELETE	EDIT
Eggs	\$3.99	12	Dairy	DELETE	EDIT
Bread	\$1.79	20	Bakery	DELETE	EDIT
Potatoes	\$0.89	25	Vegetables	DELETE	EDIT

**MANAGEMENT**

- DASHBOARD
- PRODUCT LIST**
- ADD PRODUCT
- BACK TO MAIN STORE

### Edit Product

Product Name  
Apples

Price  
1.99

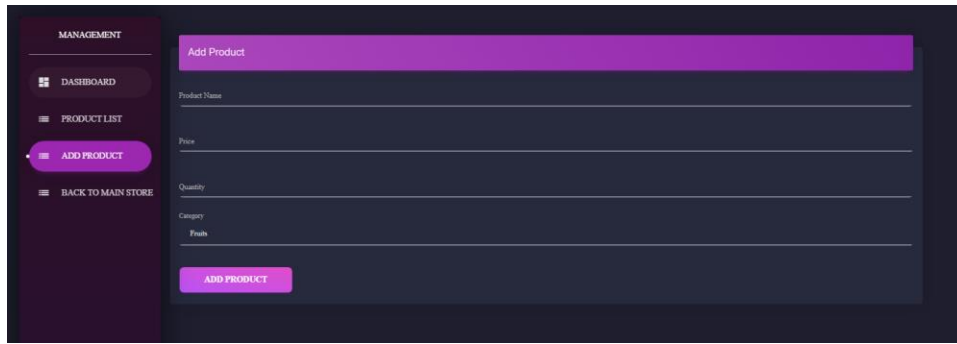

Quantity  
10

Category  
Fruits

UPDATE PRODUCT

### Add Product:

- Click "Add Product" in the dashboard to add new products to the store.

The image shows a web application interface for adding a new product. On the left is a dark sidebar with a 'MANAGEMENT' header and four menu items: 'DASHBOARD', 'PRODUCT LIST', 'ADD PRODUCT' (which is highlighted with a red background and a white dot), and 'BACK TO MAIN STORE'. The main content area has a light blue header bar that says 'Add Product'. Below this is a form with five input fields, each with a label and a horizontal line: 'Product Name', 'Price', 'Quantity', 'Category', and 'Frish'. At the bottom of the form is a red button with the text 'ADD PRODUCT' in white capital letters.

### Return to Main Store:

- Use the "Back to Main Store" link to return to the main store page.
